

Photographer/Videographer

Oaktree is an ambitious not-for-profit, with the mission of empowering young people to lead, demand and create a more just world. We develop programs and volunteering experiences that allow young people to realise their potential and see just what they're capable of. And as with any organisation, Oaktree needs solid people to make this dream a reality.

In the Community Engagement portfolio, we're responsible for leading our work that engages with communities across Australia (as the name suggests). This includes fundraising and grassroots campaigning, digital communications, and managing partnerships with external people who support our work.

The Communications team is looking for a new addition to the family! We need a passionate photographer and videographer who would help us lead on the visual front. So, if you've got a creative mind, a knack for communication, please apply to fill the communications officer-shaped hole in our hearts.

As a Photographer/Videographer at Oaktree, a typical day might look like:

- Contributing from a visual content perspective to our wider communications strategy;
- Take photos and videos that help us tell an engaging story about our work;
- Keep the content on our drive organised;
- Complete post-production with input from the team to ensure all media content is on point;
- Produce content for various platforms such as Instagram, our website, Tiktok and more.

Who we are looking for:

- Lives through a viewfinder and is capable of working in a fast-paced and agile environment;
- Be flexible and pivot from tasks if need be;

- Has a strong work ethic and a demonstrated ability to take initiative;
- Has good communication skills and is a team player;
- Has the potential to learn and grow rapidly;
- Is passionate about tackling social injustices.

We value will over skill, determination over degrees, and passion over years of experience. So go for it. Put your name forward

What you will get out of it:

- Create content that engages thousands of Oaktree supporters across Australia;
- Help Oaktree increase its impact in making a real and significant impact in its fundraising and political advocacy work;
- Contribute to our communications strategy, gaining insight into the thinking that goes behind the words;
- Gain access to training and development opportunities that will change the way you work;
- Expand your personal and professional network;
- Make an impact in Australia and globally in the movement to end injustice.
